

MK Battery

Limited Product Warranty

GEL 12 MONTH WARRANTY

A battery will be replaced with a free equivalent if it fails due to defects in materials or workmanship within twelve (12) months from date of initial installation only. Proof of date of purchase/installation required for all claims. Normally return to MK Battery, Anaheim California, is not required; however, MK Battery reserves the right to require return and the method of shipment. Upon receipt of the defective battery, MK Battery will process the claim and reimburse for any direct freight costs as authorized by MK Battery.

Warranty of a battery is defined as its failure to reach at least 80% of its rated capacity. If a properly maintained battery fails to meet 80% of its rated capacity when tested via MK authorized MK70 capacity tester, MK will replace the battery. Warranty claims for full replacement must be made no later than three (3) months from failure.

This warranty does not cover failures in service due to the following conditions:

1. Unauthorized modifications or alternations to the product.
2. Negligence, accident, abuse, misuses including improper jump starting, or improper, unsuitable or abnormal storage of the products.
3. Improperly installed or applied batteries. Improperly charged (either under or over) batteries. Opening of batteries that are designed and intended in use as sealed products.
4. Physical damage due to acts of nature or man which stress products beyond design limits or other undesirable influences.
5. Normal "wear and tear".

This express warranty is the buyer's sole remedy, and there are no implied warranties of merchantability or fitness for a particular purpose. MK Battery shall not have any liability for any incidental or consequential damages.
